### **Your Tasks**

- Research in the area of numerical analysis or partial differential equations (65%)
- Teaching obligation to the extent of 3 LVS (25 %)
- To collaborate in the academic self-administration (10%)

### **Your Profile**

# The successful candidate is expected:

- To hold an academic degree equivalent to a master in Mathematics
- Good knowledge of English
- Ability to communicate and to work in a team
- We are looking for candidates who are motivated to do their PhD

#### Remuneration

Salary will be paid according to Remuneration level 13 of the Wage Agreement for Public Service in the Federal States (TV-L). As stipulated in § 2 (1) sentence 2 of the WissZeitVG (fixed-term employment), the contract end after a period of 3 years. In accordance with the provisions of the WissZeitVG and the Agreement on Satisfactory Conditions of Employment, the length of contract may differ in individual cases. The employment is designed to encourage further academic qualification.

The position is advertised as a part-time job (75%). In individual cases, this percentage may be reduced on request, as long as this does not conflict with official needs.

Bielefeld University is particularly committed to the career development of its employees. It offers attractive internal and external training and further training programmes. Employees have the opportunity to use a variety of health, counselling, and prevention programmes. Bielefeld University places great importance on a work–family balance for all its employees.
