

The Institute of Mathematics at the University of Würzburg invites applications for the position of a

Full Professor (W3) for Analysis

starting from January 1, 2017 or as soon as possible thereafter.

Candidates are expected to be internationally recognized experts in one or several modern areas of Mathematical Analysis. We seek individuals with an independent research agenda who will complement existing strengths in the Institute and bridge between existing areas of expertise within the Institute. The Institute is particularly interested in candidates with outstanding promise or demonstrated success in obtaining external funding, and in mentoring undergraduate and graduate students as well as postdocs.

Duties will include undergraduate teaching, graduate teaching and supervision, research, including the establishment of an externally funded research programme, and service-related activities.

Please refer to the official recruitment document to be found at <https://go.uni-wue.de/w3analysis> for the qualification requirements.

The University of Würzburg is an equal opportunity employer. As such, we explicitly encourage female candidates to apply. In case of essentially equal qualifications, candidates with disabilities will be given preference.

Informal enquiries should be addressed to Professor Oliver Roth, roth@mathematik.uni-wuerzburg.de.

Please submit your application online at

<https://www.mathematik.uni-wuerzburg.de/bewerbungen/W3Math02-2016/>

The closing date for applications is October 7, 2016.
