

At the University of Graz, researchers and students work across a broad disciplinary spectrum to enlarge our knowledge, and find strategies to deal with challenges our society is confronted with and to shape tomorrow's world. The University of Graz is a place which combines high quality academic research and teaching, where achievement is rewarded, careers are promoted, and social diversity is encouraged – all within a modern, award-winning working environment. Our motto: We work for tomorrow. Join us!

The Institute of Mathematics and Scientific Computing is looking for a

University Assistant with doctorate

(40 hours a week; fixed-term employment until September 30, 2023; position to be filled as of March 1st 2021)

Your duties

- Research in the area of ring theory
- Collaboration with the Algebra and Number Theory Group
- Participation in ongoing research projects and independent research
- Participation in the teaching of courses for mathematics students and co-supervision of students
- Participation in organizational and administrative tasks

Your profile

- PhD (Mathematics/Algebra) or a comparable academic degree
- Publications in Algebra, in particular Ring Theory
- Ability for integration into the department's research profile, in particular links to Factorization Theory or Multiplicative Ideal Theory
- Potential links to the inter-university doctoral program Discrete Mathematics (desirable)
- English level C1
- Independent and responsible way of working
- Organizational and team skills
- Didactic aptitude for independent teaching

Our offer

Classification

Salary scheme of the Universitäten-KV (University Collective Agreement): B1

Minimum salary

The minimum salary as stated in the collective agreement and according to the classification scheme is EUR 3889.50 gross/month. This minimum salary may be higher due to previous employment periods eligible for inclusion and other earnings and remunerations.
