

Applications are invited for a

**PostDoc position**

at the **Chair of Nonlinear Analysis** at the Institute for Mathematics at the **University of Augsburg**, Germany (Prof. B. Schmidt) starting at **11.11.2022** or shortly thereafter.<sup>1</sup>

The initial appointment will be made for two years and can be extended. It includes a teaching load of 5 hours per week during lecture time. The salary is according to the German public service tariff scale E 13 TV-L.

Applicants are expected to join the research activities at the Chair for Nonlinear Analysis. The opportunity for further scientific qualification is given.

Job requirements are a PhD in mathematics or physics and a good working knowledge in analysis, in particular in areas such as the calculus of variations, partial differential equations, geometric measure theory, or mathematical continuum mechanics.

Augsburg University is an equal opportunity employer. Applications of women are strongly encouraged. Disabled persons will be given preference in case of equal qualifications.

Candidates are requested to send their application including

- a curriculum vitae, a description of their scientific interests, publication list (if applicable) and contact details of two references as a single pdf document and
- a copy of their PhD thesis

in German or in English to [bernd.schmidt@math.uni-augsburg.de](mailto:bernd.schmidt@math.uni-augsburg.de) by

**September 25<sup>th</sup> 2022.**

(Later applications will be considered, until the position is filled.)

For further inquiries please email to: [bernd.schmidt@math.uni-augsburg.de](mailto:bernd.schmidt@math.uni-augsburg.de)
